Dear Parent(s),

This summer, The Niagara Falls City School District will again be offering a **Free Summer Extended Learning Program**. The program will be open to **ALL students exiting grades K-5th in June of 2017**.

Students in attendance will receive 90 minutes of Language Arts instruction, and 90 minutes of Math instruction each morning.

The afternoon portion of the day will consist of lunch, followed by planned and supervised recreational and extension activities. These activities will be made available to our students through The Niagara Falls Boys and Girls Club.

The program will run from **Monday, July 10, 2017, through Thursday, August 10, 2017, meeting on Mondays, Tuesdays, Wednesdays and Thursdays**.

Cataract Elementary School, Harry F. Abate, Niagara Street and Henry J.Kalfas have been selected as the 4 sites for this summer's session. Children will be assigned to the ELP site closest to their home school.

Busing will be provided to and from the program. Students will be picked up and dropped off at their home schools only.

Specific busing information will be sent to your home closer to the start of the program.

Breakfast **will not** be served at the summer program, however, students attending the full-day session will receive a healthy snack and lunch.

If you are interested in having your child attend this program, please complete and return the attached application, no later than **Wednesday, May 10, 2017**. Student applications can be completed and returned to your child's teacher, or dropped off at the Reception Desk at the Central Administration Building – 630 66th Street.

If you have any further questions, please call 286-4217.

Sincerely,

Cathy Sullivan
