

CATARACT ELEMENTARY SCHOOL & HOME COMPACT

At Cataract Elementary School, we believe that a joint commitment between school and home is essential for student success. The school and parents work cooperatively to provide for the successful education of the children. Our school mission is to have all students meet or exceed New York State standards in English Language Arts, Math, Science and Social Studies by the end of 6th grade and be ready to succeed in prep school. To that end,
