October 2016

Dear Parent /Guardian

Gaskill Preparatory School will be offering additional academic support in the areas of Math and English & language arts tentatively to begin in late October. The afterschool program will be designed to both increase student knowledge and provide additional support for classroom work & homework assistance. Consistent attendance and positive behavior are required for participation in this program. The program will operate through May 2017.

Students will be selected for the afterschool program based on various assessments results and teacher recommendation.

Busing will be provided for those students who already receive bus transportation. In addition, we anticipate the ability to provide a daily snack for each student.

Due to the time constraints, we ask you to return this permission slip no later than **Tuesday, November 1st** to the Main Office. Please feel free to contact school counselors, Ms. Cowart – Grade 7 or Mr. Zafuto - Grade 8 should you have any questions.

Thank you,

Mrs. Smith
