Dear Parents,

Welcome to the Universal Pre-K Program. I look forward to working with you and your child. Please read the following information carefully.

The purpose of this program is to provide your child with a year of language arts, math readiness, and social development. It is my hope to give your child a strong foundation for future academic success.

Pre-K Orientation will be held on Thursday, September 7th from 5:30-6:15. We will all meet in the auditorium for a brief presentation at 5:30, followed by visits to your child's assigned classroom. This coordinates with our school's Open House which is scheduled from 5:00-7:00. Food trucks will also be available.

Please call the school at 278-7940 to schedule your childs' screening appointment which will be held on September 7th, 8th, or 11th. To avoid confusion on the first day of school please bring labeled supplies to your screening appointment or orientation. **We will begin our regular schedule on Tuesday, September 12, 2017.**

For safety reasons, all children will only be released to their parents or legal guardians. If someone other than the above mentioned is to pick up your child, you must send a note to the school on that morning. This includes pickups by grandparents, aunts, uncles and neighbors.
